

KIIT POLYTECHNIC, BHUBANESWAR

LESSON PLAN

Session: 2021-2022

Discipline: Civil engineering	Semester:4th sem/summer/2022	Name of the Teaching Faculty: Suchismita Padhi(Lecturer) Email ID: suchismitapadhi369@gmail.com
Subject:Technical Seminar (pr.3)	No. Of Days/Week:1(3periods)	Start Date :10/03/22 End Date:30/06/22
Week	Class Day	practical
1st	1 st	Introduction to technical seminar class.
2nd	1 st	Discussion of different technical topics related to civil engineering.
3rd	1 st	Collection of different technical topics from students.
4th	1 st	Collection of different topics and discussion regarding topic.
5th	1 st	Selection of topic by students.
6th	1 st	Class presentation by students.
7th	1 st	Checking of ppt, Showing presentation of a civil engineering topic in smart class room.
8th	1 st	Presentation by students.(interactive session between the presenter and rest of the students).
9th	1 st	Final presentation of the students(interactive session between the presenter and rest of the students including all faculty members of the department)
10th	1 st	Final presentation of the students(interactive session between the presenter and rest of the students including all faculty members of the department)
11th	1 st	Collection of different technical topics from students. Collection of different topics and discussion regarding topic, Selection of topic by students.

12 th	1 st	Class presentation by students. Presentation by students.(interactive session between the presenter and rest of the students).
13 th	1 st	Final presentation of the students(interactive session between the presenter and rest of the students including all faculty members of the department
14 th	1 st	Sessional
15 th	1 st	Sessional
